

Organization for the Recovery of Comatose Individuals

Dear Hotel Del Senato,

as Legal Representative of ARCo92 Non Profit Volunteer Center and Head of "Casa Dago", I would like to thank you for the great financial support we have received from your Charity Room, which has raised the sum of € 30,000 (thirty thousand euros), collected between 2015 and 2017.

In view of the fact that the Institutions have not been funding us since 2013, this contribution has been an incredible help in continuing to carry out our projects and helping the many patients, almost always young, who have had road accidents. Furthermore, thanks to you, they can stay in Casa Dago and take advantage of our services which include psychological support, painting workshops, decoupage labs, computer classes, cooking labs, play and create labs, gardening workshop, fieldtrips to visit exhibitions, pizza dinners out, cinema, etc.

More often than not, individuals who awaken from a coma, never go back to being as they were before, and can no longer live the same life, as friends abandon them and couples often break up; "Casa Dago" becomes a reference point, for them and for their families, in order to start living a life that is as close to normal as possible.

Your contribution has given us and gives us the opportunity to continue to help and support these "new people".

With your donations, we have been able to purchase material for the various laboratories: a copier, two computers with printer, audio system for recreation, economic support for operators, we have had the opportunity to organize birthday parties, various fieldtrips and more.

Thank you very much for what you have done for us and hope you will continue to support us, we very much need your help!

With gratitude:

Guests of Casa Dago and Maria Elena Villa, President Ass.ne A.R.Co92 Onlus and Head of "Casa Dago".
